

Sundays @ Grace

1st hour (9:00 am)

Nursery thru Teens - Sunday School

Adult Bible Class:

Homebuilders - Teacher: Jim Carter Location: Choir Room

Topic: "Understanding and living by the Holy Spirit"

This course seeks to reconnect us with the Holy Spirit by teaching us the basics of who He is, what He is like, and what He does. The truth presented in this course will confirm that greater is He Who is in us than he that is in the world. (1 John 4:4). He has always been wireless, needs no batteries, charger cords, or adapters. He is infinitely powerful and always present in us. He is ready to influence this world through us.

2nd hour (10:30 am)

Nursery thru 5 years - Church Time in their Sunday School Classroom

1-3 Graders - Church time: Join in the service with their parents and then dismiss for a special service time for them.

Adult Bible Classes:

Lifelong learning - Teacher: Bill Wessel Location: Youth Room

Topic: "Shadows of Shiloh" - In this study we will look at the leaders of the United Kingdom of Israel, beginning with Samuel the last judge through Saul, David, and Solomon. All four men were called and appointed by God to lead Israel, but that didn't mean they did it perfectly. All of these leaders in the early days of Israel's monarchy failed God in some way. Israel needed a ruler to lead them with the servants spirit of Samuel, the power and presence of Saul, the heart of David, and the wisdom and grandeur of Solomon. They will get that king when Shiloh comes. He will rule Israel and the world with righteousness and justice.

Berean - Teacher: Bruce Wagner Location: Junior Room

Topic: Foundations of Apologetics

Foundations of Apologetics is a DVD study by Ravi Zacharias International Ministries designed to introduce apologetic arguments and strategies. Students will become adept at recognizing the many worldviews influencing our culture and will cultivate the skills to challenge the assumption of these worldviews by teaching students to communicate Biblical principles in a way that is winsome and effective.
